GRAND CHEROKEE

Jeep

**GRAND
CHEROKEE**

You can rely on your Jeep Grand Cherokee to take everything you throw at it, from a load of rowdy kids to a series of treacherous mountain passes. And you'll enjoy your vehicle even more with Jeep Accessories by Mopar, the accessories and parts division of DaimlerChrysler Motors Company LLC.

ACCESSORIZING YOUR JEEP® GRAND CHEROKEE

Jeep Accessories are original equipment accessories, designed by an engineering team that knows your Grand Cherokee inside and out. These Jeep Accessories install, fit and perform with unmatched precision. And when you purchase your accessories at the time of vehicle purchase, you'll get a strong 3-year/36,000-mile limited warranty honored at every Jeep dealership across the country (please see back cover for additional details).

In this book you'll find convenient Jeep Accessory Packages designed to accommodate your needs. Keep in mind, however, that all the Accessories featured in this catalog are also available for individual purchase. For more information about how you can use Jeep Accessories by Mopar to configure your vehicle to your lifestyle, visit mopar.com or see your local Jeep dealer.

Also shown with Sport-Utility Bars.

Style Package

- Tubular Bull Bar
- Tubular Side Rails
- 17x7.5-inch Chrome Cast Aluminum Wheels

Tubular Bull Bar* helps protect your Grand Cherokee's front end from environmental scratches and scars with its high-polished stainless steel guard. Unique one-piece design ensures a uniform fit.

*This product is designed to enhance the appearance of the vehicle; it is not intended to prevent injury or damage in the event of an accident.

Tubular Side Rails match the Tubular Bull Bar and help protect the lower bodyside sheet metal against off-road damage. Unique one-piece design ensures a uniform fit. Available in polished stainless steel.

Nothing looks better than a set of shining **17x7.5-inch Chrome Cast Aluminum Wheels**. Mopar's Chrome Wheels are tested for corrosion resistance to ensure a long-lasting shine.

Go Wild

Planning is for wimps. Preparation ... now that's another story. When your idea of getting away is to just pick up and head out, make sure your Jeep® Grand Cherokee is prepared for the trip with the **Style Package**. It features a Tubular Bull Bar so you can push into undiscovered country, Tubular Side Rails to rally against rough terrain, and 17x7.5-inch Chrome Cast Aluminum Wheels to help you look good no matter where you go. "Be prepared" is more than just a motto – it's a way of life.

Also shown with Sport-Utility Bars and Roof-Mount Bike Carriers: Fork-Mount and Upright styles.

Off-Road Package

- Premium Side Steps
- Fog Lights
- Tow Hooks
- Skid Plates (fuel tank, transfer case and front suspension)

Premium Side Steps are custom designed to match the contours of your Jeep Grand Cherokee. They have a sturdy aluminum substructure and feature skid-resistant step pads that really come in handy in slushy, muddy and wet conditions.

Fog Lights* are your best friends in inclement weather, helping to improve visibility. Designed to integrate perfectly into the vehicle's front fascia.

*Check state and local regulations for restrictions on installation and use.

Tow Hooks can be a lifesaver, getting you — or someone else — out of difficult off-road situations. Front pair available in Black or Chrome. A single Black Tow Hook is available for vehicle rear.

Heavy-duty Skid Plates provide protection for your Jeep Grand Cherokee's underbody components. Skid Plates are available for fuel tank, transfer case and front suspension.

Blaze the "Your Name Here" Trail

Ever wonder who was the first to forge that path into the untamed wilderness? Chances are it was someone in a Jeep® vehicle equipped with Mopar's best off-roading accessories. And if you're looking for your own adventure, nothing gets you out and away faster than the **Off-Road Package**, complete with Premium Side Steps, Fog Lights, Tow Hooks, and heavy-duty Skid Plates. With this kind of firepower, there's bound to be an unconquered back road out there waiting for your name.

Also shown with 17x7.5-inch Chrome Cast Aluminum Wheels and Roof Rack Cross Rails.

Touring Package

- Premium Molded Running Boards
- Molded Bug Deflector
- Rear Air Deflector
- Molded Splash Guards

Premium Molded Running Boards are built with a rugged steel substructure to stand up to even the most adverse conditions. Skid-resistant plastic surfaces also provide sure footing upon entry and exit.

The **Molded Bug Deflector** is made of shatter-resistant Lexan,[®] and creates an air stream that helps direct bugs, grit and road spray up and away from your vehicle's hood and windshield. Does not adversely affect windshield wiper or washer operation.

Lexan is a registered trademark of General Electric Corporation.

Rear Air Deflector keeps your vehicle's rear window clear by directing a stream of air across it while the vehicle is moving. Matches the Smoke color of the Molded Bug Deflector.

Molded Splash Guards look great and help protect your Jeep. Grand Cherokee's lower body-side panels from damage caused by gravel, salt and road debris. Available in paintable Black and Laredo cladding colors.

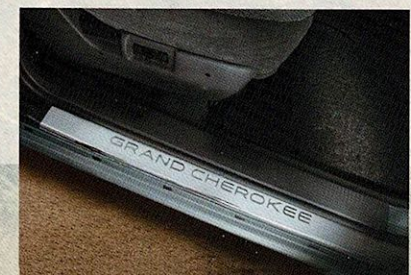

Civilization Has Its Place

For such a rough and ready vehicle, your Jeep[®] Grand Cherokee can still display the refined manners of a gentleman. The **Touring Package** (above) features Premium Molded Running Boards, Molded Bug Deflector, Rear Air Deflector and Molded Splash Guards. The **Protection Package** (below) offers Door Entry Guards, Slush Mats, Park Distance Sensors, Molded Cargo Tray and Cargo Area Security Cover to keep everyone, and everything, secure.

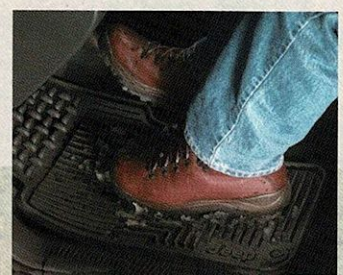

Protection Package

- Door Entry Guards
- Slush Mats
- Park Distance Sensors
- Molded Cargo Tray
- Cargo Area Security Cover

Door Entry Guards are embossed with the Grand Cherokee name and are made of brushed stainless steel to help protect interior door sills from scratches. Set of four. (Two front and two rear.)

Heavyweight urethane **Slush Mats** for front and rear help prevent water, snow and mud from spilling onto the floor. Nibbed back with driver's side positive retention helps keep mat in place. Features the Jeep logo.

Park Distance Sensors help you maneuver in and around parked cars and tight spaces. Four ultrasonic, color-keyed sensors are discreetly integrated into the rear bumper, activating an interior light/sound indicator when you put your vehicle in reverse.

This skid-resistant, thermoplastic **Molded Cargo Tray*** fits in the rear cargo area to help protect the carpeting. Removes easily for cleaning and is available in colors to match your vehicle's interior. Features Jeep logo.

*Remember to properly secure all cargo.

The **Cargo Area Security Cover** helps keep valuables out of sight under a retractable, soft nylon cover. Removes easily for storage. Available in all interior colors.

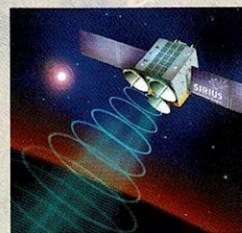

Shown here is the Navigation Radio (RB1).

Sirius Satellite Radio™ System

In-vehicle entertainment has evolved with another innovative product from Mopar. Sirius Satellite Radio introduces a new level of depth and content to radio listening by providing 100 channels of digital entertainment coast to coast: 60 commercial-free channels of music and 40 channels of news, sports and entertainment. Programming varies from the Best of the 80's and Rock to Classic Jazz and Country, from ESPN Radio and The Weather Channel to Radio Disney and The Sirius Comedy Channel. The system uses S>PLEX (statistical multiplexing) technology, which optimizes the fidelity on each channel, to provide superior sound resolution. The Sirius Satellite Radio System plays directly

from your vehicle's radio with the installation of a special receiver and antenna. Activation is free; a monthly service fee will apply.

*Sirius™ and related marks are trademarks of Sirius Satellite Radio Inc.

UConnect™ Hands-Free Communication

Hands-free calling is here! UConnect is an exclusive voice-activated, hands-free, in-vehicle communications system that utilizes a small control pad, microphone and speaker. It encourages safe vehicle operation and doesn't compromise driver control. UConnect allows you to dial your wireless phone through simple voice commands. In addition, UConnect mutes your radio before receiving or sending a call, allows you to store up to 32 names (with four numbers per name) in the system's phone book, and is flexible enough for an entire family (up to five phones can be linked to the system). UConnect

includes Bluetooth™ technology that enables your wireless phone to connect to your vehicle without wires or a docking station. This leading-edge technology will allow you to store your wireless phone anywhere within the vehicle. UConnect is simple to use — all you need is a Bluetooth Hands-Free Profile wireless phone from any wireless carrier*. By signing up with AT&T Wireless, however, you will enjoy a host of voice-activated services such as concierge assistance, stock quotes, up-to-the-minute traffic information, and sports, news and weather reports.

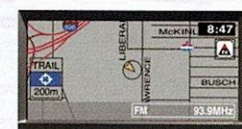

*You can retain your current wireless carrier and wireless phone number as long as your wireless phone employs Bluetooth Hands-Free Profile technology.

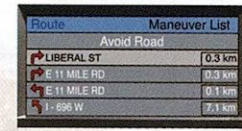

Turn-by-turn instructions

Navigation Radio (RB1)

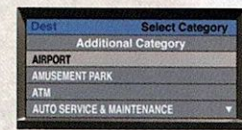

Our new Navigation Radio combines a 4.2-inch full-color display, AM/FM Stereo, CD Player and Navigation Radio System that utilizes DVD technology all in one handy unit. This sophisticated, yet simple-to-use navigation system guides you to your precise destination through the use of Global Positioning System (GPS) satellite technology and an onboard computer. The system offers turn-by-turn route guidance with voice instruction (available in English, French-Canadian and Spanish), automatic re-route calculation, extensive listings of points of interest and enough memory to store 100 personal addresses. Unit includes a geographic DVD-ROM with routing directions for the entire mapped United States and parts of Canada. The radio features 30 station presets: 10 AM, 10 FM, and 10 Sirius Satellite Radio™ System channels featuring a full display of station, music type, artist and song title.

Mopar Radios

All Mopar Radios are designed to work perfectly with your vehicle's existing electrical system and integrate seamlessly with your dash. We offer several models to meet your audio needs, all featuring 66 watts of total power at 3% total harmonic distortion, generous presets and Sirius Satellite Radio System compatibility. Radio selections include:

- AM/FM Stereo Radio with Integrated 6-Disc CD Changer (RBQ)

RBQ

- AM/FM Stereo Radio with Cassette, CD Player, Integrated CD Changer Controls and Rear-Seat Audio Function. Set of two headphones and remote kit sold separately (RBU)

RBU

- AM/FM Stereo Radio with Cassette, CD Player and Integrated CD Changer Controls (RBP)

RBP

- AM/FM Stereo Radio with CD Player and Integrated CD Changer Controls (RBK)

RBK

10-Disc CD Changer

Enjoy hour after hour of your favorite music. Changer mounts in available **Rear Console** and features a viscous antivibration system that ensures precise tracking and virtually eliminates skipping. Operates with radio's Integrated CD Changer Controls.

Security Systems

Mopar offers security systems that safeguard your vehicle against tampering, towing, and theft of vehicle contents.

- For vehicles with Remote Keyless Entry, the **EVS II® Plus Security System** adds security features such as the panic feature to your transmitter and

includes programmable passive or active security arming. Also includes starter disable, shock sensor and siren

EVS II is a registered trademark of DaimlerChrysler Corporation.

There are many more Jeep® Accessories by Mopar available to enhance your lifestyle ...

Hood Cover

Protect your vehicle's hood from gravel, insects and road debris with this Black vinyl cover. Features turned-under and sewn edges and Jeep® logo.

Front-End Cover

Sturdy Black vinyl cover helps protect your Grand Cherokee from damage caused by gravel, insects and road debris while the Bug Screen covers the grille area for added protection. Foss-backing safeguards your vehicle's paint and Clear Coat finish. Features Jeep logo.

Roof Box Cargo Carrier

Maximize your vehicle's cargo space. Tough, locking thermoplastic carrier keeps cargo dry and secure no matter what the weather. Features quarter-turn installation, gas-cylinder opening system and Mopar logo. U-bolts (included) attach to **Production Roof Rack Cross Rails** or **Sport-Utility Bars** (sold separately). Available in two sizes.

Canoe Carrier

This fully adjustable carrier with latching nylon straps holds one canoe and is easily mounted on **Sport-Utility Bars**. Includes attachment instructions and installation tool.

Roof-Mount Ski and Snowboard Carriers

Pack up and head for the slopes in no time. The **Six-Pair Ski and Snowboard Carrier** holds up to six pairs of skis or four snowboards, or a combination of the two. The **Three-Pair Ski and Snowboard Carrier** holds up to three pairs of skis or two snowboards. Both feature silver anodized aluminum construction, corrosion-resistant lock covers and either-side opening for easy loading and unloading. T-slot adapters included for both carriers. Clamping adapters for **Roof Rack Cross Rails** sold separately.

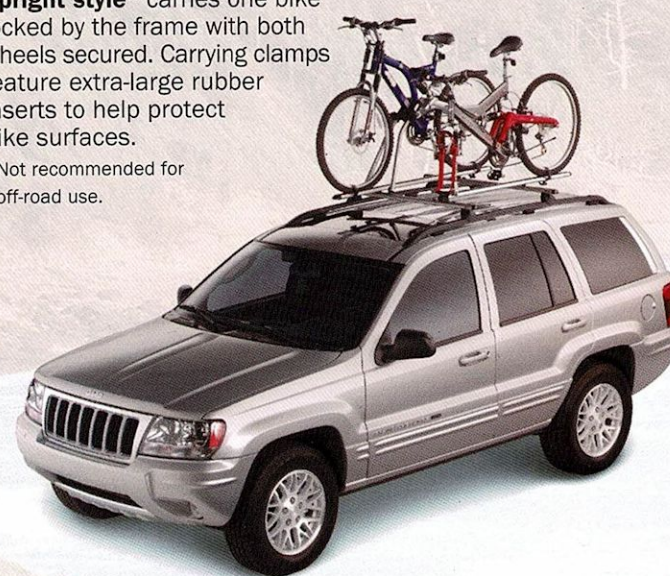

Water Sports Carrier

Carrier transports most kayaks, sailboards or surfboards with flat or curved hulls. Latching, pushbutton nylon strap attachment holds watercraft securely in place. Features soft, self-adjusting and slip-resistant pads to protect hull finish. Mounts to **Sport-Utility Bars** (sold separately).

Roof-Mount Bike Carriers

Brushed aluminum carriers have been redesigned to accommodate virtually all types of bikes. The **Fork-Mount style** carries one bike securely by front fork and rear wheel. **Upright style*** carries one bike locked by the frame with both wheels secured. Carrying clamps feature extra-large rubber inserts to help protect bike surfaces.

* Not recommended for off-road use.

Hitch-Mount Fold-Down Bike Carriers

Two-Bike and **Four-Bike Carriers** are available. Both have a unique fold-down feature to allow for liftgate opening without removing bikes from carrier. Carriers feature carrying clamps with rubber inserts to help protect bike surfaces and come with a cable for locking bikes to carrier (lock not included) and an anti-theft bolt that locks the carrier to the vehicle. **Hitch-Mount Fold-Down Ski Carrier** also available.

Hitch Receiver*

Has a 2-inch opening and tows up to 6,500 pounds with V8 engine or up to 5,000 pounds with I-6 engine and weight-distributing equipment. **Hitch Bezel** (sold separately) available in Black for Limited and Taupe or Medium Gray for Laredo.

*Check Owner's Manual for hitch type, load capacity and heavy-duty equipment required. Do not exceed rated tow capacity of vehicle as equipped. Trailer may require items not supplied by Mopar.

17 x 7.5-Inch Cast Aluminum, Chrome Clad Wheel

A cost-effective and attractive alternative to conventional chrome plating. The high-impact surface is resistant to nicks and abrasion, and won't rust, peel or pit under abusive road conditions.

Envelope Cargo Net*

Black nylon net fastens to existing cargo area tie-down loops to help keep items secure while maintaining easy access to cargo area. *Remember to properly secure all cargo.

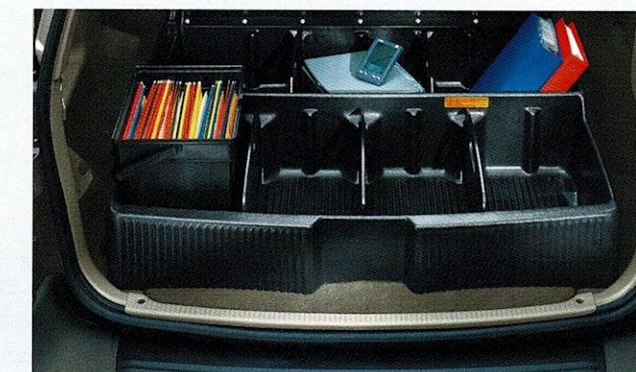

Compartment Partition*

Black steel partition helps keep pets and cargo safe and secure in the cargo area, preventing them from entering the passenger compartment. *Remember to properly secure all cargo.

Rock Rails

Constructed of heavy-gauge tubular steel, these trail-tested Rock Rails provide added lower bodyside panel protection when off-roading. Available in Black powder-coat finish. For Limited models only.

Lockable Cargo Organizer*

Keep cargo and personal items securely in place and hidden from view. Removable divider with multiple set-up options allows adjustable compartment sizes; clips secure tray to vehicle floor to prevent shifting and sliding.

*Remember to properly secure all cargo.

Folding Cargo Mat*

Heavy-duty mat helps protect against wear, soil and stains. One-piece folding design conforms to cargo area and protects with backseats up or down. *Remember to properly secure all cargo.

Carpet Floor Mats

Production-style mats feature durable nylon carpet. Rubber-ribbed backing and driver's side positive retention helps keep mat in place. Color matched to vehicle interior. Features Jeep® logo.

Formed Carpet Floor Mats

Oversized treated nylon carpet mats are molded to match the interior contours of your vehicle's floor and stay firmly in place. Mats feature rubber-ribbed backing and driver's side positive retention to help keep mat in place. Available in interior colors. Feature Jeep logo.

Fog Lights*

Light beams undercut inclement weather and minimize glare. Integrated into the fascia openings for style and feature production lights and switch.

*Check state and local regulations on installation and use..

Chrome Exhaust Tip

Add extra style to your Grand Cherokee's substance. Rigorously tested for corrosion resistance to ensure a long-lasting sparkle.
